

LEGAL CASE STATEMENT OF FACTS

CASE REFERENCE: LWA/2026/RK-09

CLIENT PROFILE:

Name: Rajesh Kumar

Address: Flat 405, Green Glen Layout, Bangalore, Karnataka - 560103

Card Reference: Aadhaar Card ID 1234-5678-9012

STATEMENT OF INCIDENT:

1. The client, Rajesh Kumar, is a resident of India and a registered holder of Aadhaar card number 1234-5678-9012.
2. On June 12th, 2026, the client engaged the services of "SecureAuth Verification Services" (the Respondent) solely for the purpose of biometric identity verification required for a new mobile SIM card registration.
3. During this process, the client's core biometric information, specifically his fingerprints and iris scans, were collected by the Respondent.
4. On July 10th, 2026, the client discovered that his core biometric information and identity details had been unauthorizedly shared and transferred by the Respondent to a third-party private marketing entity named "Apex Data Systems".
5. The sharing of this sensitive personal data was carried out without the consent or knowledge of the client, violating the trust and terms under which the data was collected.
6. The client is seeking legal remedy against SecureAuth Verification Services for the unauthorized sharing of biometric data in violation of Section 29 and Section 30 of the Aadhaar (Targeted Delivery of Financial and other Subsidies, Benefits and Services) Act, 2016.
